NB Christian Ashram ~ Do you find it hard to break out of work and family routines, put away your cell phone and avoid other sources of social media in order to spend quality time with God? Even Jesus had to retreat from everyday life to pray. Consider the **New Brunswick Christian Ashram** as your opportunity, to go deeper in your faith relationship. Held from August 7 - 10, 2025 at beautiful Beulah Camp and Conference Centre in Brown's Flat, you will experience a leisurely, interdenominational Christian retreat in a conference setting well-resourced to serve your needs. To learn more, speak to Cindy Derksen or visit www.nbca.ca.

The US government has ended most of its foreign aid to crises and development projects around the world. In response **Alongside Hope** (better known as Primate's World Relief and Development Fund) is inviting people to contribute to a **Resilience Fund** that will pick up a bit of the slack. An anonymous donor stepped forward to match the first \$250,000 who people contribute but the **offer expires in about 10 days**. Visit <https://alongsidehope.org/news/anonymous-donor-will-match-gifts-to-resilience-fund-up-to-250000/>

Camp Brookwood ~ Brookwood is looking forward to another great camping season. Staff wait eagerly for campers to return. **Weekly camping fees this year are \$250 per camper**. To support a camper or donate to the operation of the camp, put your additional offering in the collection plate and it will get to the Camp.

Again this year the **flowers outside St Luke's** are eye-catching and a great asset to Woodstock's Main Street. What if every business and church followed this example?

General Synod convenes officially on Tuesday and runs to a big concluding day next Sunday; committee work begins Monday. The prolocutor calls the Synod a meeting of Jesus's disciples. Think of that. The 7-person diocese of Fredericton delegation has met in person already to talk things over. The primatal choice begins to weigh heavily.

There is good news. This Sunday, just before he leaves for General Synod, **Archbishop Edwards** will lead morning service at Christ Church (Lower Woodstock) to mark the 220th anniversary of start of construction of the first Christ Church, then the **only house of worship above Fredericton**. Progress on completing the edifice was slow, as apparently people in those days were quite tiny. On 24 June 1813 Parson Dibblee writes:

*The carpenters are now finishing the pews of the church, & when they are finished the remaining purchase money will be due. It is supposed that after all expenses are settled there will be sufficient for a handsome railed fence round the whole yard & church. When that is completed there will be an excellent, decent church 60 miles from Fredericton capable of accommodating **300 persons**, where 26 years since was an entire wilderness.*

At last Sunday's service at St Mark's the **Sunday School kids** presented everyone with a gorgeous hand-painted tile. Two examples are with this week's e-News but each was unique. People were impressed and grateful.

SERVICE NEXT SUNDAY

- Communion at **St John's** (9:30 am) preceded by parish breakfast (8:30); Morning Prayer at **St Luke's** (11 am)
